

Joint Communiqué

Made by Regional Governors who are participating in the Planning Workshop of the Joint Needs Assessment (JNA) exercise for the Reconstructive and Development Programme for Somalia.

Having seen the structure and vision of the JNA for reconstruction and development for Somalia and after we have deeply considered the content of the JNA, we recognize that it is absolutely important that the Somali community fully participates in the preparation of the JNA for the reconstruction and development of the country.

We, on behalf of our community, living in our regions, hereby make a commitment for the Somali people as well as the international community that we will fully support and fully participate in the preparation and production of the JNA unconditionally.

Benadir, Deputy Governor
Middle Shabelle Governor
Hiran Governor
Galgadud Governor
